

LEAFLET DISTRIBUTION IN N19

N19 is an excellent postcode for Leaflet Distribution. It has some 16,000 households that we can deliver leaflets to.

We have divided these into four groups. N19 spans from Crouch Hill all the way through Archway down to Tufnell Park.

It is one of the most interesting areas for leaflet distribution in North London. There are almost no undeliverable places.

There are mostly privately owned residential households that are fairly easy to access with some exceptions in the northwestern corner around Whittington Hospital.

But overall it is an excellent area for leaflet distribution.
